

REGENCY  
SENIOR LIVING

January 18, 2021

Dear Residents, Families and Team Members,

This letter is to inform you we have received confirmation from our Pharmacy, CVS, that our vaccine clinics have been scheduled. All clinics will take place at our community. The dates are as follows:

- Wednesday, January 27: 10am-4pm – First dose for Residents and Team Members.
- Wednesday, February 17: 10am-4pm – Second does for Residents and Team Members. First dose for anyone new to Regency or for anyone who did not get vaccinated during the first clinic (January 27).
- Wednesday, March 10: 10am-4pm – Second dose for anyone who received their first vaccination February 17.

We are currently in the process of educating our Team Members and Residents about the benefits of the vaccine and will be collecting consent forms from those who choose to be vaccinated. Please feel free to reach out to our community if you have questions.

Best regards,

Vickie Conner  
Executive Director
